

# Integrated Workplace Solutions

## LOCAL ROOTS, NATIONAL REACH

The Office Moving Alliance is a coalition of world-class relocation partners providing facility solutions across the globe. Coakley Brothers acts as your single point of contact, managing all aspects of your project. With an emphasis on transparency and detailed coordination, your projects will be professionally managed, on time and on budget, anywhere in North America and beyond.

## WALK THE SITE WITHOUT BEING ON SITE

With over 80 partners across North America, we are positioned to support your global facility needs with the same level of customer service and expertise that we've been known for locally since 1888. Project requests and visibility are available through our Coakley Connect Platform; a comprehensive, easy-to-use portal for managing multiple projects.
